

Application to appoint a responsible individual (Ireland)

This form should be completed by a firm holding (or applying for) an Irish firm's auditing certificate that wishes to appoint a new responsible individual (RI) for Ireland only. Firms holding (or applying for) a UK firm's auditing certificate who wish to appoint a new responsible individual must complete a separate RI application form for the UK, available on our website [here](#).

Please refer to the further resources on ACCA's [website](#), before completing this form. The compliance principal should complete sections 1, 4 and 10 plus section 4 of Appendix 1 if required, on behalf of the firm. The individual to be appointed an RI should complete sections 2 – 3 and 5 – 9 plus Appendix 1 if required. Please retain a copy of the completed form for future reference and allow up to 30 working days for the application to be assessed. There is no fee for an RI application.

Return the completed form to authorisation@accaglobal.com

The individual to be appointed must not act as an RI until the firm has received formal notification from ACCA that this application has been approved. If the individual leaves this firm their RI status will cease and if they join another firm to be an RI they will need to submit a new application.

- ceased to be an individual responsible for audit work more than six months ago; or
- currently are an individual responsible for audit work but have not been responsible for any audits in the last 12 months; or

- external/internal hot or cold file reviews
- notifying ACCA when audit appointments are accepted
- providing future completed CPD details.

Alternatively, if your application is rejected due to your inexperience, then you may be asked to gain further relevant audit experience before reapplying.

Please note that ACCA will NOT accept the information on this form in any other format.

1 AUDIT AND FINANCIAL REPORTING EXPERIENCE

For ACCA to properly consider your application you must provide evidence to demonstrate that you have recent, relevant and sufficient audit experience at a sufficiently senior level of authority to be competent to conduct audit work. Using the following table, please give details of examples of recent audit engagements that best demonstrate your audit and financial reporting experience and seniority. You should aim to provide details of at least 10 audit engagements carried out during the last 24 months. However, we recognise that there is a wide range of individual circumstances where this will not be possible and if this is the case, please provide as many examples as you can in section 1 of this form, and provide an explanation of your circumstances in section 2.

Please ensure your examples are relevant to the audit work you intend to conduct as an individual responsible for audit work. We may ask you to provide further information or additional examples to help us assess your experience.

Please note that we do not consider Solicitors' Regulation Authority Accountants Reports, The Law Society of Northern Ireland Accountants reports, internal audit, CASS reports and agreed upon procedures work to be audit work as defined by the Audit Regulations.

Your examples should demonstrate that you have the professional competence expected of an individual responsible for audit work and that you have achieved the IES8 competencies which are set out in section 5. If you cannot provide this evidence, your application may not be successful, or may only be approved subject to conditions. The information should be provided in date order (most recent first). Continue on a separate sheet if necessary.

A full copy of IES 8 and support materials on this standard can be accessed via the [IFAC website](#).
